Eligible gifts need only meet the \$10,000 level for recognition as part of Give 10. There is no need to record gifts past the \$10,000 level. There is no need for donors to submit additional proof of charitable gifts.

My gifts reflect my participation in Give 10 Emerging Leaders.

While all gifts are encouraged and valued, some donations are not eligible for recognition as part of Give 10, including: ticket and auction-item purchases, underwriting, contributions of goods and services, and event-related sponsorships.
